- Representative to Spine Service Grand Rounds
- Orthopedic Residency Curriculum Coordinator, Mentor
- Spine Guidelines Committee Member- Spine Care Institute
- Spine Care Institute Task Force Member- Special committee tasked with the development of Triage Algorithm for Spine Care Clinic
- Develop Accelerated Rehabilitation Guidelines for Achilles Reconstruction
- Committee Review Panel: Review research proposals prior to IRB submission
- Direct Access Committee Member- Develop competency curricula for implementation of Direct Access
- Bellwether Committee Member- Leadership among peers
- Clinical Ladder Committee Member- Career track development

Polestar Education

Jan. 2013-Dec. 2015

Educator

Teach Pilates curriculum to Physical Therapists and non-Physical Therapists

Hospital for Special Surgery

Jan. 2011-Nov. 2013

Sports Rehabilitation and Performance Center

Advanced Clinician-Physical Therapist

- Orthopedic Residency Development Committee
 - Curriculum Coordinator, Mentor
- Staff In-Servicing
- Committee Review Panel: Review research proposals prior to IRB submission
- Center for Hip Pain and Preservation: Certified Hip Rehabilitation Specialist
- Education Committee
 - Assist in development of Rehabilitation Grand Rounds, educational opportunities, Professional Education course development
- Sports Representative to Foot and Ankle Service Grand Rounds for Networking with Foot Service

Hospital for Special Surgery

Nov. 2008- Jan. 2011

Integrative Care Center

Advanced Clinician-Physical Therapist

- Education Coordinator-Rotator Training Program Development
- Staff In-Servicing
- OCS Residency Development Committee
- Bellwether Committee
- Committee Review Panel: Review research proposals prior to IRB submission
- Center for Hip Pain and Preservation Committee
- ICC Representative to Physiatry Grand Rounds for Networking with Physiatry Department
- Serving as Ad Hoc leader for staff meeting scheduling and agenda
- Consultant to FOCOS for Ghana Hospital Physical Therapy Building Development
- Travel to Ghana, West Africa as FOCOS Physical Therapy Volunteer

Biomechanic Physical Therapy, VA Aug. 2008-Oct. 2008
Physical Therapist, Acupuncturist, Chinese Herbalist
Responsible for mentoring, orthotic casting and fitting, integrating Acupuncture into Physical Therapy for post-surgical patients

Physiotherapy Associates, VA Feb. 2007-Aug. 2008
Clinic Director, Physical Therapist, Acupuncturist, Chinese Herbalist

- All aspects of personnel management
- Marketing and Budgeting
- Quality Assurance
- Program development
- Training new therapists
- CCCE for Physical Therapy Student Program
- Cross marketing Physical Therapy and Acupuncture

Physical Evaluation & Rehabilitation Center, VA July 2005-Feb.2007
Physical Therapist, Acupuncturist, Chinese Herbalist
Supervision of PT Aides

Shenandoah University Physicians Assistant Program, VA Aug. 2005-Dec. 2006
Adjunct Instructor: Gross Anatomy Lab Assistant Instructor, Tutor: Gross Anatomy
Responsible for relating function to anatomical dissection, assist with dissection, examination set up, instruct learning techniques

Shenandoah University Conservatory, VA Aug. 2005-May 2006
Adjunct Professor: Anatomy & Biomechanics for the Dancer
Developed and wrote course syllabus and examinations with emphasis on dance injuries
